"Saving life of a soldier is more important than killing an enemy"

NETRA KAVACH

EYE PATCH WITH PROTECTION COVER

PVMS No: 290066

Netra Kavach Eye Shield is specially designed for the treatment and protection of penetrating eye trauma. A durable cover is affixed to a gentle eye pad, providing protection against worsening injuries and shielding the injured eye from external pressure.

The eye shield comprises a 5-inch adhesive patch made of medical-grade material that encircles the eye shield, and a gentle eye pad that makes contact with the injured eye.

Key features:

- The eye pad is constructed from lint-free fabric that is sealed on all edges.
- The eye shield comprises a 5-inch medical-grade adhesive patch that encircles the eye.
- No fibres from the eye pad will emerge to cause irritation to the eye.
- Enclosed in an inner pouch for easy peeling, and an outer pack that can be torn open.
- Sterilized by Ethylene Oxide
- Offered in one size

PRODUCT PRESENTATION

- Packed in peel-open inner pouch and tear open outer pack.
- Sterilized by Ethylene Oxide
- Available in one size
